Gabriela Sacher

WEB DEVELOPER · E-COMMERCE · AI AUTOMATION

PROFILE

Full stack web developer with 10+ years at Swiss Medical Seguros in functional analysis, process improvement and digital innovation. I build e-commerce stores, catalogs with admin dashboards and brand websites. What sets me apart: I understand the business before writing code.

FEATURED PROJECTS

Fujeira Retro Store

2023 – Present

Own e-commerce · fujeiraretrostore.com

- My own store, live in production; started as a university project. Catalog, cart and Mercado Pago checkout (PHP).
- Management panel with Google Sheets + Apps Script and Firebase; on-page SEO.

FUZZ Equipamientos

2026 – In progress

Web catalog + dashboard · demo

- Instrument catalog with WhatsApp inquiries and showroom visit booking.
- Stock, sales and appointments dashboard, in development (Next.js, TypeScript, Prisma; AI-assisted with Cursor).

Hilo

Co-founder · landing — *In progress*

- Automation and AI studio, in development.

EXPERIENCE

Freelance Full Stack Web Developer

Independent — *2025 – Present*

- **El Femenino Hub:** website for a women's football hub on its own domain; responsive and SEO-focused.
- **Velitas de la Luna** (in progress): Laravel e-commerce, close to launch; Mercado Pago coming soon.
- **AI-automated reporting:** monthly social media metrics report generated with AI from screenshots (Python, Jinja2).
- Requirements gathering, phased quotes, deployment and post-launch support.

Senior Functional Analyst · Digital Innovation

Nov 2022 – Present

Swiss Medical Seguros

- Design and validation of digital solutions with development, UX and business teams.
- AI agents (Cursor, Cline, LLMs) to automate processes and documentation.
- Requirements gathering, prototyping and coordination with development, QA and stakeholders.

Semi-Senior Process Improvement Analyst

Feb 2015 – Nov 2022

Swiss Medical Seguros · SAC

- Reference analyst for Customer Service (ART): continuous improvement, training and reporting.

EDUCATION

- **Technical Degree in Web Design and Programming**
  Nueva Escuela de Diseño y Comunicación (UTN) · 2024 – 2026 · Completed
- **Diploma in UX/UI Design**
  Universidad Tecnológica Nacional · 2024
- **UX/UI Design Program**
  Coderhouse · 2022 – 2023
